Our Story

Over the years, since November 9th, 1976, the Ladies Guild has evolved into what the members want to accomplish at the Catholic Church

The actively involved members work on projects and try new things as they are suggested by the members.

We discuss and vote on these projects.

The monies we raise from our various projects and activities, such as the gift shop, cookie sales, frozen entrées and bazaars goes towards the debt reduction of our new church, and helps us pay for the various Hostess activities we undertake.
